

# 30 New Job Vacancies

with Apprenticeship Training through Rochdale Training

These opportunities must be filled before the end of March

**30 new Apprenticeship jobs** have become available following a national marketing campaign to reduce the number of young unemployed people nationally.

Vacancies for unemployed young people aged 16-18 are in Business Admin, Engineering, Customer Service, I.T. and Contact Centre. Starting salary under the Apprenticeship scheme is £95/week. Besides offering a job and wage, successful applicants will achieve a nationally recognised qualification and embark on the first steps to a lasting career.

Apprenticeships are offered and run by Rochdale Training which has over 40 years experience in training local people and helping local businesses prosper.

For an application form telephone **01706 631417**, call into **Rochdale Training**, or go online at **www.rochdaletraining.co.uk** and email applications to **info@rochdaletraining.co.uk**.

Rochdale Training will also be holding an Apprenticeship Open Evening on Thursday 18th March 4-8 pm at their Training Centre on Fishwick St, Rochdale – young people and parents welcome. Advice will be available for those unsure about what to do next after school or college. There will be employers and expert training staff available to discuss the benefits of the Apprenticeship route – such as going straight into a job and getting a nationally recognised qualification.

If you are an employer and would like an informal discussion about how to employ an Apprentice and why it makes business sense to do so – contact **Jeremy Roberts** at **Rochdale Training** on **01706 631417**.

◀ **Nageena Hussain** works for Agilisys in Rochdale and has just completed her contact centre Apprenticeship in Rochdale through Rochdale Training. Nageena attended Falinge School and by Year 10 she knew she wanted to work and follow an Apprenticeship allowing her to earn a living and get qualified at the same time. Now 20, Nageena tells us she's thrilled to have her

qualification - especially as she knows the importance of getting qualified to improve her career prospects.
