Dear Mr. Smith,

Further to my letter of 26th August, would you be able to arrange reserved seats in the public gallery for Brian Heron and myself plus a couple of colleagues for the debate on Asbestos & Health in the House on 23rd October 1981? Anything you can do for us in this direction would be greatly appreciated.

Incidentally, I sent some documentation (but not your speech) to Joel Barnett as you suggested. He acknowledged receipt that the information will be of considerable help.

Kind regards,

Yours sincerely,

Sidney Marks,
Personnel Director.
