Dear Cyril,

Thank you for your letter of 5th August confirming that the debate in the House on Asbestos is likely to be 23rd October 1981.

As previously agreed I will forward to you in good time a proposed draft text for your speech along the lines you have suggested which we can discuss in detail at some convenient place and time.

With kind regards,

Sidney Marks,  
Personnel Director.

PS

Please ask your Secretary to revert to our correct Company title which replaced 'Turner Brothers Asbestos Co. Ltd.' over eight years ago!
