

Further information and guidance

How to make your nomination:

Nominations are open **Friday 31st March**.

To help with shortlisting and the final selection of winners, you should give as much detail as possible about the person or team you are nominating within the word limit. This could be about their achievements; approach to colleagues, patients, work, change or challenges; reasons why they are a great example for others and employees of which the NHS can be proud; or what they've done to provide excellent customer service.

Be clear about why you think the person or team you are nominating is a HMR STAR.

Tell us why, in up to 200 words, you feel they deserve an award.

Fill in your nomination form online and send to hmrcommunications@nhs.net or post your completed nomination form to:

HMR STAR Awards
